

EC Declaration of Conformity

The following product

DEVICE: Precision Ohm Meter
TYPE: PROMET R300

is declared to be in conformity with the provisions, and in particular with the protection requirements, specified in the appropriate directives of the European Union on the harmonization of the laws of member states.

The abovementioned product complies with the provisions of the following European directives:

2014/35/EU Low voltage directive

2014/30/EU EMC directive

This declaration applies to all identical devices.

For the assessment of the product with regard to electromagnetic compatibility and device and machine safety, reference was made to the following relevant harmonized European standards, the reference numbers of which have been published in the Official Journal of the European Union:

EN 61010-1: 2011

Safety requirements for electrical equipment for measurement, control, and laboratory use

EN 61326-1: 2013

Electrical equipment for measurement, control and laboratory use - EMC requirements

This declaration is submitted on behalf of the manufacturer
